Dear Team and Well wishers,

On behalf of Anant Defence Management I take this opportunity to express managements gratitude to all of you for your contribution, support and guidance during FY 2022-23. Your role is very much integral in Anant's Journey.

Financial year 22-23, is history now and has helped us to enrich our experience especially on two fronts i.e., Anant Level and Indian Defence Sector. On Anant level it has again proved to us that by following **Anant core values** we can achieve desired goals no matter what the situation be. On Indian defence sector, we can see many more opportunities to grow the business horizons.

The present business outlook for Indian defence sector looks promising. With greater focus from Central Government on MSME sector, our company is in right spot. The "AatmaNirbhar Bharat" will help MSME sector to improve project execution and improving technical capability. The **strong and**

determined engineers team is the pillar for any organization.

The financial results will be published soon, looking back the passing financial year our company has done well on account of sales and operational efficiency.

Looking in the future our company has sound order book, hence I am optimistic that coming financial year will be more interesting and happening.

At the beginning of new financial year, I would like to commit myself for improving 5D (i.e., discipline, determination, dedication, devotion, desire).

Jai Hind!
Yours Truly,
Jitendra Mehta
